

Summer Math Club Is Coming Soon!

This summer you won't have to go far to get rewards for practicing math. Earn prizes for doing math over summer vacation with Summer Math Club!

If you'd like to participate, please return the attached sheet to your teacher by May 8th.

1. During the last weeks of school you will receive a Summer Math folder with full instructions and your first set of math review sheets.
2. Bring completed sheets to **the Downers Grove Public Library Meeting Room, 1050 Curtiss**, on special Math Club Prize Days, to have them graded - and receive a prize!
3. We'll give you more math sheets, so you can earn cool stuff all summer long.
